

BBIT/JAN/2023 ATTACHMENT LIST

ADMISSION NO.	NAME	PENDING UNITS	REASON FOR PENDING UNITS	STRATEGY
BBIT/2023/40551	ALLAN CEDRICK OTAGAR	0	--	--
BBIT/2023/64957	ANNE TASHA MUCHANGI	2	Business data mining & warehousing. Network programming , They are pending because I am an advancing student and those are the units remaining to complete my coursework	I plan to transfer from regular student to virtual student
BBIT/2022/50815	KESTER MADANGA	5	I have 3 supplementary, 2 specials and 2 online exam not covered. Cost accounting - supplementary, basic electricity and optics- supplementary, security and cryptography - supplementary. Computer graphics- special, operational research- special. Financial research and climate change -not covered. Offered online but due to system failures on my side I couldn't complete financial research. I didn't attend one semester due to health reasons and missed to take some units. I have currently registered 4units offered this semester that I didn't cover.	I plan to complete my pending units every semester they are offered whether online or physical.
BBIT/2020/89325	DANCAN GITONGA MBUI	1	Project - not yet ready	I've already started I'll be seeing the supervisor this month
BBIT/2023/42848	MAXWELL MWANGI GITONGA	3	computer architecture, Introduction to web design, Event driven programming-I did not get to do them cause I was doing a part time job	I plan to do them online during attachment
